RUSTIC OAK

Every piece in this diversified line of furniture radiates the spirit, ruggedness and excitement of the American frontier.

The sturdy connotation of Oak is matched by the solid hardwood construction, selected Oak veneer inlaid tops, fully dust proofed and centerguided drawers and distinctive metal hardware.

A rich, deep brown finish, the symbol of exquisite ageing, and hand rubbed highlights combine with "time worn" edges and pegged tops to guarantee the beauty of this furniture for a lifetime.

The pride of Harrison's craftsmanship can never be doubted when you see and feel the difference of natural wood elegance in an award winning line of furniture.

Antique Maple from the proud heritage of a young, vibrant early America. An interpretation painstakingly handcrafted by Harrison for today's living -- truly the perfected blending of old and new. The patina of age is accented by the deep, rich glow of the hand highlighted and distressed finish -- further emphasized by the soft luster of the oxidized pewter pulls. Unsurpassed

IT'S UNIQUELY HARRISON

Pride is an American tradition. This attitude isn't reflected only in our *Antique Maple* design but in the pride of workmanship and skill that is part of every Harrison employee. Why are they proud? Because we use solid maple hardwoods, hand selected maple veneer tops, metal hardware that matches the wood carving and fully dust proof drawers. They complete the deep, rich glow of maple by hand highlighting every piece for the true *Antique Maple* look.
